

Felt Banner Instructions

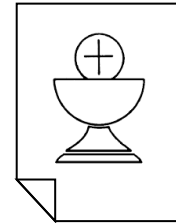

Each candidate for First Communion will make a banner to display in the church. *As a family*, please decorate a religious symbol to express your child's faith in the real presence of Jesus in the Eucharist.

Follow the directions below to create and complete this special project:

1. Buy one felt piece, any color for the background (**9 x 12, pre-cut**).
Buy other felt pieces as desired for religious symbol and decoration.
Please **do not attach any type of hanging device** (rods, string), as we cannot hang them with anything like this - and please **do not use the stiff/hard kind of felt**; our little clothes pins cannot hold this.

Portrait orientation ONLY. No larger than 9" x 12".

2. Trace pattern of religious symbol on felt piece.
Pattern ideas available in CRE Office
or CRE webpage <https://www.stlawrenceparish-utica.com/cre>
3. Decorate using material, felt, buttons, yarn, religious pictures, etc.
Please **glue everything on tight** so that it does not fall off in church.
Note: stickers are not secure on felt. **Please use craft glue.**
Keep in mind this is an expression of faith displayed in the church as part of the celebration of a Sacrament.

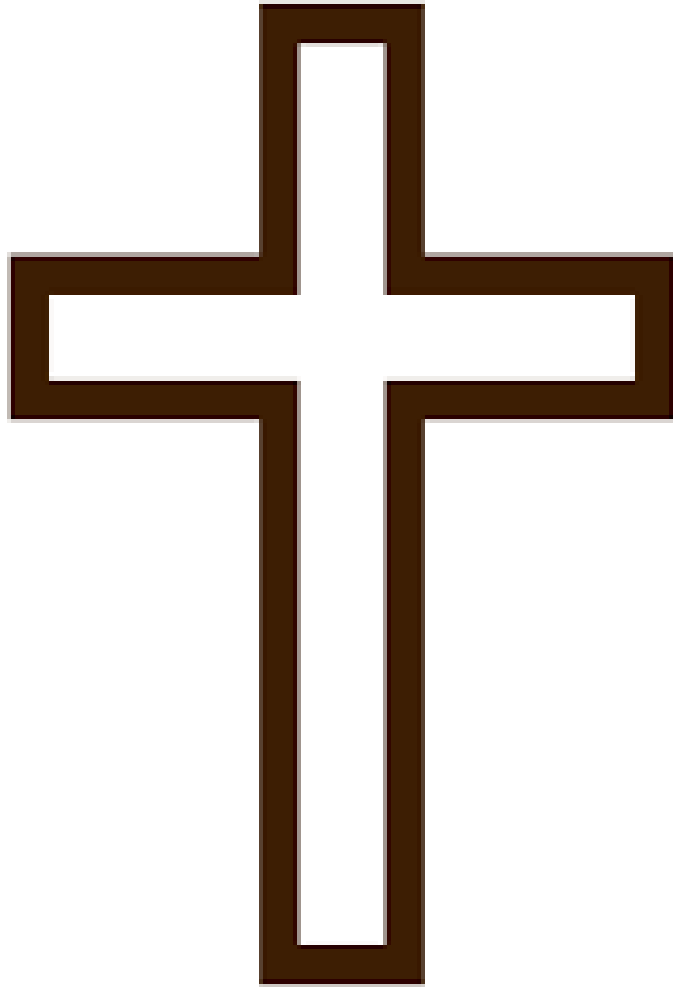

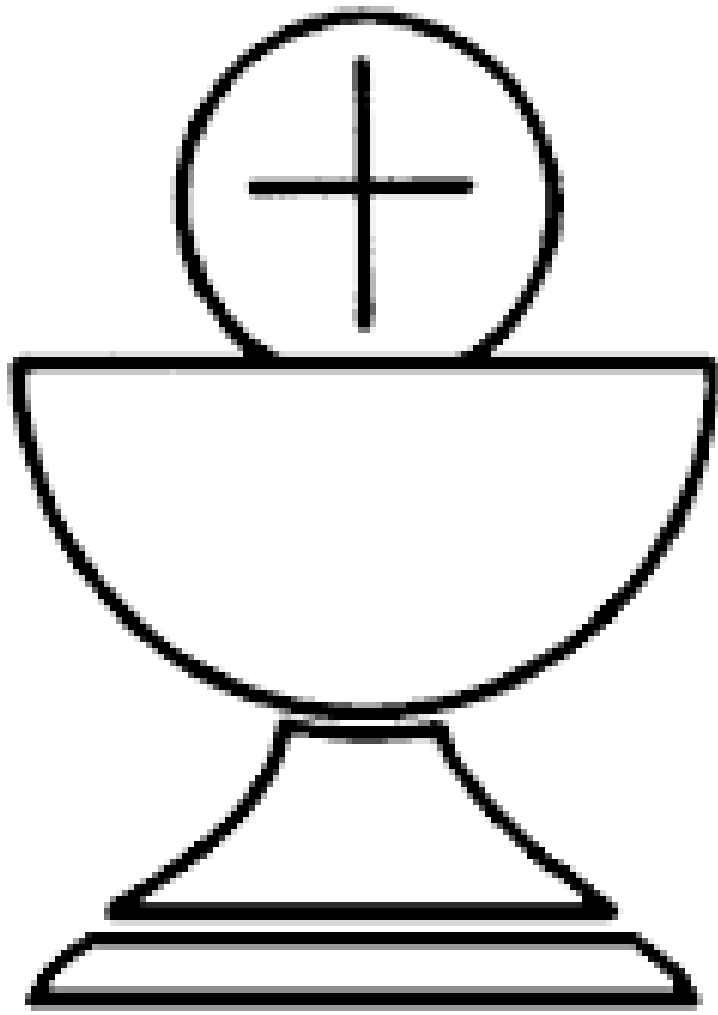

4. **NO GLITTER!**
5. Try not to make it heavy because it will fall down!
6. **ON THE BACK:**
Put your child's **first and last name** on the BACK of the felt.
This will help us return your child's banner if you do not pick it up.
7. **ON THE FRONT:**
Put only your child's **first name** on the front.
8. Return it to your Religion teacher **by March 31st**.

Thank you for participating in this special project.
